NEWSLETTER

NO. 1 APRIL 2019

Hello to all Group members,

This is the first of what we hope will become a monthly feature of our group, with news items, short features and photographs. However, it will rely on contribution for you members as well as ourselves. Make it a truly Group element by sending us (or handing us) items which will interest other members - be it some photos from visits you have made to a place of interest or a found news item.

Everything will be welcome.

2019 PROGRAMME

As a result of our discussions at the last meetings and the thought of outings during the warmer months we are looking at suggestions of places to visit, either car share or maybe using the Community bus facility. We will discuss this issue in a little more detail at the April meeting because we do need to know what limits you have on cost and distances we can cover using car share. For example we could arrange a visit and tour of Renishaw Hall. This is a house which is still family occupied and has been in the Sitwell family for 400 years. In addition to the tour, usually by a family member, there are gardens with walks, Courtyard businesses and a nice cafe. We could also arrange a cup of coffee/tea with biscuits on arrival. This would cost £12.50 for the tour, £2.00 for the welcome drink plus travelling costs of c 60 miles round trip. Its a question of how much we want to spend on a visit.

The dates for 2019 meetings are:-

18th April	probably a dvd of subject interest
16th May	possible outing
20th June	Someone will need to run this meeting as we are away for the 75th anniversary of the D-Day Landings in Normandy events.
18th July	possible outing
15th August	
19th September	Again we are away on this date
17th October	
21st November	
19th December	

This is a day outing organised by Jackie and Howard.

Bookings are now open to non-Rushcliffe PS people and we have 4 seats available on a first come basis if you are interested.
